MEMORANDUM FOR: Project Director

SUBJECT: View of the Ad Hoc Requirements Committee
Regarding Operations from the Far East and
Near East

1. At the Requirements Committee meeting on 20 July
it was unanimously agreed to urge Operations to give preference
to establishing operations from [REDACTED] rather than the Far East,
if feasible. This is based on the combined judgement of the members
that requirements of much greater importance are available from
[REDACTED] as compared with the Far East.
